Artisan charcuterie and cheeses

We specialise in fantastic quality charcuterie and cheeses. Our cheeses are predominantly English from the wonderful Neal's yard dairy. Our meat is from the fabulous Block'n'bottle in Newcastle and also imported direct from Italy for some fantastic quality cured meats.

We work closely with our specialist suppliers to select the finest on offer each week.

All our products are cut and prepared on the premises to maintain the best quality. All dishes are subject to availability.

Our dishes are mostly made to order; if you have any dietary requirements let us know & we will do our best to accommodate where we can. Allergen details available on request. All dishes subject to availability.
